MAURI BROS. OBJECT TO HOUSING ESTATE Offensive Trades and Noise Could Bring Future Complaints

The Altona Shire Council has approved a new housing development on Grieve Highway that will place 880 homes close to fat rendering plants and metal stamping machines that are so loud they cannot be placed indoors.

It has approved the plan in the face of objections from Mauri Bros. & Thomson, which has told the council that it came to Altona to get away from homes—and it came with the encouragement of the Premier's Department, the State Development Division, and of the Altona Shire Council itself.

Mauri Bros. appealed to the council not to mix heavy industry and homes because of the annoyance and restrictions they place on each other.

At last Monday's council meeting the council voted 4-3 to disallow Mauri Bros' objection.

It approved an application by Broons to subdivide its estate on both sides of Grieve Highway south of Doherty's rd.

The council also decided that Broons' plan should go back to the council's planning committee for revision.

The revision would be to include a buffer zone of light industry between Broons houses and Mauri's heavy industry.

The vote was taken after 1½ hours of debate and submissions. Crs. J. J. Giffner, H. W. Lee, W. Bond and W. G. Cresser voted to disallow Mauri Bros' objections.

Crs. W. L. J. Crofts, G. den Dulk and K. Jurga voted to accept the objections.

ARGUMENT

The shire secretary, Mr. J. W. Waters, read Mauri's 16-page submission to the council.

The submission said that Mauri Bros. & Thomson had already spent \$2-million on land and buildings, and was going to spend \$1.5-million in 1967-68, besides further sums in the future.

The company objected to the plan because it was in direct conflict with planning principles, was highly unsuitable for housing because it would create a pocket of homes in the centre of heavy industry, and cause great hardship to Mauri Bros. because of the people who would complain in the future.

Mauri Bros. & Thomson said that in 1963-64 they bought 239 acres of the land.

Eighty-nine acres were bought in 1963 for \$193,077, and 150 acres were bought in 1964 for \$75,000.

There were four acres of noxious trades land worth \$24,440.

It had itself constructed Pinnacle, Stuber and Baldwin-rds. on the land.

The company made malt extracts (Saunders), bakers yeast, negar (Skipping Girl), bread improvers, soya flour, coloured salt, pastrycook's sundries, tinned and bottled foodstuffs, stainless steel goods, lithographic printing plates, and printing reels.

It also was concerned in warehousing and light engineering and a new division of this was planned for Altona.

GETTING AWAY

It operates in several States, and had factories in Moorabbin, Richmond, South Yarra and elsewhere, recently, in Port Melbourne.

It's reason for moving to Altona was because it wished to consolidate its plants, provide for expansion, and get away from people's homes.

One of its processes involved fat rendering.

It came to Altona because the land was large enough, the site was far from homes, convenient to markets, had a railway siding, and land was available in the offensive trades zone.

The move was encouraged by the Premier's Department, and advised by the State Development Division.

And the company also had the encouragement of responsible officers of Altona Shire.

Besides making the roads, it installed special sewers and a pumping station at a cost of \$267,329.

EXPENDITURE

The company had spent \$2,185,589 on land and plant to January 1 this year.

It planned to spend a further \$1.5-million in 1967-68 that would bring the total capital invested by the company in Altona to \$3,677,576.

This year a factory worth \$656,427 was being erected, and next year two factories would be built at a cost of \$760,000.

Later, four more Mauri industries would come to Altona.

Mauri Bros. submission pointed out that in one of their factories there would be heavy hammers beating metal.

The noise in this factory was so great that the workers had to wear earplugs.

In another factory, the noise of a power hammer was so high that the hammer had to be located outside the factory and not inside.

Houses and factories together are not in the public interest. We have tried to get away from the people, Mauri Bros. said.

When factories and houses are together, which ever one comes first, it always leads to complaints from the residents.

This leads to restrictions placed on the industry.

SITE "WRONG"

Mauri Bros. said the Broons plan was wrongly sited.

To the north and west there was the crematorium, Myers bulk store, Mauri's land, Dow Chemical, BP Australia and other chemical industries.

To the south there was BP Australia, and to the east Kororoit Creek and other extractive industries.

The Carbon Black factory has already caused annoyance to local residents, and indeed is experiencing the very sort of difficulty in maintaining its operation close to a residential area that we will see will happen to us.

If Grieve Highway is to carry heavy industrial traffic, it will

be running right through houses and shopping areas—a far from safe circumstance.

OUT OF DATE

"To seek to justify such proposals on the only ground open, namely that it will provide a labour force close to employment, is to revert to concepts of working class living standards accepted in the 19th Century, but which have been wholly unacceptable for many years past."

If the company had spent so much money embarking on a project with the encouragement of the Premier's Department, the State Development Division, and the Shire of Altona, then Broons' land should be regarded as already committed to industry.

Mr. N. M. Stevens, QC, for Mauri Bros, told the council: "We have burnt our bridges. We have spent \$2-million. There is no turning back."

"We came to this site believing that we were in the heart of an industrial area."

"Broons is a new venture with no commitment to go on."

"The extent of our commitment should weigh very heavily."

"We think that the council should take some responsibility in this matter."

"The council should not look at it just as a council interested in rateable properties, but as a planning body."

"It should say that people have acted on the previous planning scheme and that there is no good planning reason in the amendment."

FEARS GROUNDED

Mr. N. M. Howard, director of the State Development Division, told the council that he was sorry to speak against Broons because it had done a lot for housing.

"But the fears of Mauri Bros. are very well founded."

DARBY'N'JOAN FOR THE ELDERLY?

Cr. G. den Dulk has appealed for Darby and Joan old folk's flats to be built in Altona.

At last Monday's Altona Shire Council meeting he said: "There would be many people who would move in."

He also suggested the council appoint a full-time nursing sister to look after Altona's elderly people until the flats were erected and to look after those not in the flats later.

He said that in running his business he had helped many elderly people.

"These people need the help of a social worker."

"It is heartbreaking to see how some people can deteriorate over a short period."

Mr. Waters also read a letter from the Minister of State Development, Mr. J. W. Manson. The letter said that when Mauri Bros. had asked the Government's advice on where they could get land not subject to people's complaints, it had suggested Altona.

A representative of Broons was at the council meeting, but declined the shire president's invitation to speak, saying he was just there "as an observer."

Cr. H. W. Lee said Mauri Bros. objection should be disallowed and Broons' plan sent back to the council's planning committee for revision in the form of an amendment to provide a buffer zone of light industry between the houses and Mauri Bros. heavy industries.

CONCERNED

He said there were merits in

10th BIRTHDAY SHIRE MEETING

Residents will be able to share with councillors in the celebration of the 10th anniversary of Altona Shire.

The shire was proclaimed on May 29, 1957.

Altona council met for the first time on June 5, 1957.

Exactly 10 years to the day of their first meeting the council will hold a special meeting to be followed by a dinner dance at the Altona Reception.

Guest of Honour will be the Minister of Local Government, the Hon. R. J. Hamer, MLC, and other guests will be councillors—past and present—distinguished visitors including parliamentary representatives and friends of council.

Admission to the special meeting will be by invitation only, but tickets for the dinner dance on Monday, June 5, are available at \$9 per double to residents of the shire and may be purchased by calling at the shire offices before June 2.

both Mauri and Broons plans. "But I remember that we were assured when Mauri Bros. first proposed coming here that the fat rendering plant would cause no concern."

"Now they are concerned. They were not entirely frank in their original submissions."

"There submission is on the premise that industry should not have any shackles whatever."

"They cite Carbon Black—which, said in its own submission that there would be no trouble."

"Industry can be a good neighbour if it puts its house in order."

Cr. W. G. Cresser said the council had stressed the problems of odours and other obnoxious nuisances when Mauri Bros. first came—but the answer was "No."

"Now there's a different pic-

ture. Now they tell us something different."

DIFFERENT

"Australian Carbon Black—remember, that was to be a high school site—told us they were out to sell their product, not to distribute it free. Now it is a different story."

"I don't think people should point the gun at us now."

Cr. G. den Dulk moved that the matter be deferred to the next council meeting, but this was defeated.

Cr. W. L. J. Crofts said he was not so much concerned with Mauri Bros. or Broons—"But what Altona people will have to put up with."

Cr. Lee: "An adjournment doesn't suit either party."

"Cr. Crofts: "Does it suit the people of Altona?"

Police Action Not Yet Explained—

The cause of the police action at the Under 18 football match between Altona and Werribee at Soldiers Reserve on May 14 has not yet been explained.

The Werribee delegates to the Western Suburban Football League meeting, held last Friday night, said the police were engaged by them on instruction from the grounds management committee of the Werribee Shire Council. Why the instruction was given was not revealed.

However, Mr. C. K. Hodgson, administrator of the League, advises that the action appears to have been promoted by a false report given the press after a match a fortnight earlier. [This report was not published in the "Altona Star."]

A Werribee delegate at the League meeting was Mr. G. O'Brien, who is secretary of the Werribee Junior Football Club. He reported that the police instruction was given from the Grounds Management Committee—he also is secretary of this committee.

It appears that both the Altona and Werribee teams had a visit from the police prior to their match.

While both teams were warned immediate arrests would follow any assault, there is no knowledge of any slur on the reputation of the Werribee team. Apparently there was none, which would have explained why at the close of the game only the Altona team was spoken to and exonerated by the police.

In a report on the League meeting Mr. Hodgson said: "The action of the police in visiting both teams prior to the match was considered to have created a tense atmosphere which continued throughout the

match and probably had the same effect on the umpire who was officiating for the first time in this League."

"The meeting was unable to ascertain why such action was taken and it was agreed that the matter be taken up with the District Superintendent at Flemington."

S.E.C. PLEASED WITH MILLERS-RD.

The manager of the State Electricity Commission, Mr. T. E. Williams, has written to the Altona Shire Council expressing the SEC's pleasure with working with the council.

The letter stated: "The re-lighting of Millers-rd., north of Civic-pde., has now been completed, and as in the case of earlier major installations, we wish to express our pleasure at having been associated with your council in a project such as this."

"The modern level of lighting in this important road will provide a much improved standard of safety and comfort for road users."

EDITORIAL

YES OR NO

On Saturday, May 27, each elector of Altona, with all other Commonwealth citizens, will vote on proposed constitutional amendments.

He (or she) will be required to indicate by writing YES or NO whether he approves or disapproves of the proposed laws.

He will be guided in his decision by the knowledge that the leaders of the chief political parties desire the amendments and by an official statement of the YES and NO cases.

He can make his vote free of any dictation of how to vote cards.

In the election of Members of Parliament the citizen of Altona, or elsewhere, has only an indirect say in the making of the laws of the land. In this referendum he has more. He has here a direct voice in maintaining or altering the constitution under which those laws are made.

The Commonwealth Constitution has, in the main, since its creation over 60 years ago, stood the tests of time.

In its substance it has proved itself.

That, however, does not mean that it is sacrosanct.

It can be and has been altered.

If the proposed amendments will, in the opinion of the electors, improve the constitution they should be accepted.

It is altogether desirable that the votes be based on an objective examination of the points at issue and not be influenced at all by subjective influence.

Garden Notes

A FEW SHRUBS AND TREES WELL WORTH A PLACE IN ANY GARDEN

Shrubs are usually classified as evergreen or deciduous. For a warm position in the garden the hibiscus appears to be most popular.

Yet often a person will ask for a shrub or tree not quite so common. So it is along these lines we will write this week.

Brufelsia grows to 6ft. with oval leaves about 4in. long. The flowers are perfumed. Lavender fading to white. This shrub appears to have two different coloured flowers. Blooms freely in spring and summer. Suits a warm position and is semi-deciduous. Type of shrub to grow by the side fence.

The Protea: Unusual shrub, native of South Africa, with cone-shaped flower heads up to 9in. long. Prefers dry position.

Protea Susannae grows to a height of 6in. Flower, a lovely shade of deep pink to red.

Raphiolepis: This is a dense leafy shrub, hardy, and suitable for most districts, including the seaside. Grows to 6ft. Flowers white or pinkish. Native of Japan.

Ixora grows to about 3ft. Striking flowers red or orange, to 1½in. long. Rather frost tender and would need to be protected against the frost.

Kolkuntzia (beauty bush) is spring flowering. Grows up to 8ft. with tubular pink flowers. Prefers cooler position.

TREES SUITABLE FOR THE LAWN

Stenocarpus (fire wheel tree). A showy upright tree, outstanding for its scarlet, wheel-like flowers. Very slow growing and frost tender while young. Grows up to 20ft.

Gordonia, 10ft., leaves thick, dark green, 6in. in length. It flowers white with yellow stamens, shape of the camellia, 3in. across. A lovely shrub. Flowers in autumn and winter. Worth its place in any garden.

Hoheria. Fast growing tree with profuse pure white flowers in autumn. Grows to 15ft.

Acer Negundo. Attractive greenish-yellow or pink flowers in spring. Easily grown in all places. Will stand up to winds more than other maples.

There are many other varieties of trees and shrubs to choose from and any home gardener wishing to know of some tree for a certain position need only

to forward their choice to this paper and we will be pleased to give any advice. Also, if you have any garden problem let us know and we will endeavour to answer you.

LADIES HOCKEY RESULTS

B GRADE
Altona played A.M.P.S. at Royal Park; and won 17-0.

After their first win last week Altona went onto the ground in high spirits, even though anticipating a hard match. From the start Altona went straight into attack and in five minutes had four goals in the net. This was not as good as it sounds, as A.M.P.S. fielded only nine girls.

However, Altona forwards had a field day, notching 11 goals by half-time.

Nothing could be taken from Altona, however, as the whole team played well.

GOALS: V. Smith 6, L. Szatkowski 3, K. Smith 6, M. Ducker and V. Wing.

Koorungal Golf Club Associates

Koorungal Golf Club Associates played a stroke even on Tuesday, May 23, and results are as follows—

A GRADE: Mrs. S. Wilson (20), 68 net.

B GRADE: Mrs. H. Henderson (34), on a countback from Mrs. P. Dixon (27), 64 net.

MONTHLY SPASTIC AID SOCIAL

The monthly social evening conducted by the Altona Spastic Aid Committee will be held tomorrow night, Friday, May 26, commencing at 8 p.m. in the Altona Youth Hall, Civic-pde. Supper and the usual games and prizes will be provided for the 60c entrance donation.

WESTERN SUBURBAN F.L.—UNDER 18

ALTONA U-18 TROUNCE CENTRAL ALTONA BY 107 POINTS

Langshaw Reserve was in very good condition after the rain last Sunday for the Central Altona v. Laverton match.

With a strong breeze favouring the northern goal Centrals skipper had no hesitation in kicking there when Dennis Boyle continued on his unsuccessful calls at the toss.

Boyle, Wenlock and Patton combined to send Altona into attack at the bounce, but with the forwards overdoing the handball good scoring opportunities were lost until Holden missed a sitter and registered first score of the match—a behind.

Zapart twice flew high to mark and keep the pressure on, but Central cleared and play became scrumbly as both defences were on top.

An easy goal from a mark in the square and Central led. Sam MacFadyen was off target and on the rebound Crump, Boyle and Taylor, battled desperately, but could not hold up Central as they went further ahead with their second goal.

Still overdoing the handball on the forward line, Altona were not capitalising on the supremacy of their rucks and centreline. Twice Holden scored behinds before Wenlock kicked across for Page to mark and his shot found Calaz who registered Altona's first goal.

McIntosh, Crump and Taylor could not stop the next Central thrust and their third major came up and they led by eight points. Ray Patton marked and kicked truly for a goal and Johnny Duncan's long shot went the wrong side of the post.

Central scored a behind and were in attack when quarter time came; Central 3.1-19 to Altona 2.5-17.

Thirty seconds into the second quarter and Ray Patton goaled to put Altona in the lead.

Duncan outwitted the Central defenders with clever handball and kicked truly. Then Ray Patton broke through for the same result.

Jensen found Holden and his long kick brought up Altona's sixth goal. Still trying to attack around the wings Altona scored two behinds. From the second kick-off Altona received a free when the ball went out of bounds without being touched and Dennis Boyle passed to Wenlock and his kick sailed through the centre for goal no. 7.

It was all Altona as Calaz marked and baulked and kicked three goals in a row. Duncan missed, but he marked the kick-off and kicked accurately and the quarter ended with Altona in attack and leading 11.13-79, to Central Altona's 3.1-19.

On the resumption Page and MacFadyen found Lawson and his kick was marked by Wenlock, who could only manage a behind.

The game was developing into a rugged scramble and Wenlock bullocked his way through a pack to notch the only goal for the quarter.

In spite of the wind disadvantage Altona continued to attack but Central closed up the game and both sides could only manage behinds. Three-quarter time saw Altona well in command, 12.15-87, to 3.6-24.

Altona had the wind in the last term and Walker goaled.

Then the rot set in. Six behinds in a row were scored before Duncan broke through to goal.

Page marked strongly for two goals and a long angle shot by Duncan brought up Altona's 17th goal.

Central were finishing with 17 men and Lawson and McIntosh were untroubled to stem their few advances.

After a behind by Central the full back was penalised from the kick-off and Calaz took the free and his long left foot shot was on target for a very good goal—the last one for the match.

At the final bell Altona had scored 18.24-132 to Central Altona's 3.7-25.

GOALS: Calaz 5, Duncan 4, Patton 3, Wenlock 2, Page 2, Holden and Walker.

BEST: Zapart, Duncan, Newton, Crump and Jensen.

LAVERTON REPORT By "Prog"

Whilst "doing the rounds" of Laverton, I had cause to visit the railway station. Unless clefts or some form of non-skid is applied to the ramp, someone is going to slip during the coming wet weather. Over to you, Railways.

Cruising along Maher-rd. the other day I saw a little car in front of me being driven by a young mother(?). I was amazed to see the lady let go the steering wheel, turn around, and give the two children in the back a few choice whacks. This chore done, she then turned her attention to her secondary chore—that of bringing the car back on to the correct side of the road. Really, madam!

The Progress Association has requested the Werribee Shire Council to clean up the area between No. 1 and No. 2 Estates (for want of a better name, "Border Creek"). I believe there is to be a meeting by our councillors, the engineer and the health inspector. Better take your snake bite antedote in your hip pocket, gentlemen. Just to be fair, I should say that I took a piece of fencing wire with me when I went on sware down there—never saw a snake down there—that is until I was coming out and "one" drove up and illegally dumped rubbish against the sign reading "Rubbish Dumping Prohibited."

It may as well have read, "Please do not lean on this Notice." Let's keep Laverton clean for our children's sake. Save your rubbish. The council is organising a rubbish drive very soon in all areas.

You know, we live in a mad, mad world. For instance, there's that sign "Werribee Exit" (exit from the word "Exodus" meaning departure). In other words, you are leaving Werribee before you get to it, and now, to quote Cr. Comben's own words: "Laverton is nearly blasted off the map." Gee, I must have missed it!

I suppose we shall soon have another sign put up: "Laverton Exit." Or "Exit Laverton," whichever is applicable.

Talking of signs, I wonder how many of those selfish drivers realise the inconvenience of parking right across a driveway.

I spoke to Mr. Neal, of 53 Bladin-st., about this. He told me: "This happens three or four times per week." Please, drivers, use the parking lot!

When is someone going to put a stop to this fireworks racket? Who's to blame? The parents, the kids or the shopkeeper? I don't know but it's about time someone put a harness on it.

Be on the lookout for the St. John Ambulance soon in Lohse-st. They will be selling raffle tickets—and a very worthy cause it is, too.

Was your face red when the building inspector asked about the permit to build your garage?

Just heard about the husband, annoyed by a fly in the bathroom, grabbed wife's hairspray. It worked by heck. Fly's wings stiffened—crash dived. (Brand X, I think.)

More next week, "PROG."

To say that the Talent Quest at the Altona Working Men's Club on Friday night last was a success is the understatement of the week.

As an interstate visitor remarked:—

"I don't know how they do it—NO BANDITS! And the best entertainment I've had in a long time. This club has only one way to go—that's up!"

It must be pleasing to the management to know that its efforts are appreciated in such measure.

The Quest provides some good artists—one in particular; Catherine Coyle was outstanding, and with more training will "go places."

Mr. Peter Pearce was very satisfactory as compere, and his awards were well received.

On Saturday night the Club "put on" a fancy dress and mask dance which was well-attended.

Costumes were intriguing, and in the Ladies Section the winner (Francine Johnstone) was a very dainty "Zorro" indeed.

DRAW FOR ALTONA TENNIS TITLES

Sunday, May 28, sees the continuation of the Altona Tennis Club Championships, and the draw for that day is as follows:

Results —

A Reserve were narrowly defeated by
top team Moorabbin at Moorabbin last
Saturday.

Starting well, Altona looked to be the better
side. Position changes and more effort seemed to
be an improvement in the team.

In a new position and very keen at centre forward, Dennis Bartlett, with the help of Jeremy Hunter at left wing, gave Altona the first score of the game.

Failing at their job of cover defence, Altona's half line cost the Seaside's a valuable goal when Moorabbin found a hole.

After four losses Altona was determined to have a win and a goal from a penalty corner by Norm Hunter put them in the lead at half-time.

Attacking strongly, Bartlett, with the help of Bill Smith at right wing, netted again for Altona.

The game looked to be all Altona until, through lack of steam, the half backs failed in helping their back men.

Being drawn out of position the Altona backs left plenty of opportunity for the Moorabbin forwards to score.

Defending solidly and carrying a leg injury, Bob Verity tried to keep Moorabbin from scoring but they took advantage of Altona's unfitness and went on to win 5-3.

A little more effort out of players who know how to play better hockey would put Altona back into the running.

GOALS: D. Bartlett 2 and N. Hunter.

UMPIRE'S BEST: R. Verity, D. Bartlett and E. McCauley.

B NORTH

Once again Altona were narrowly beaten 3-2, this time by the sixth team, Fairfield.

After Fairfield had scored from a long hit, a penalty corner enabled John Gardner to level the scores. Minutes after the bully a quick hit by A. Vosi gave Grahame Hurrell the opening he wanted and Altona led 2-1.

Altona continued to attack and defend alternately. Defence was excellent by Bruce Forrester, the goalie, who had feet everywhere. He was ably assisted by Wally Lenzyzn.

However, forceful play from a penalty corner and Fairfield leveled at two all.

Fairfield scored again and won 3-2.

GOALS: J. Gardner and G. Hurrell.

BEST: B. Forrester, G. Hurrell and W. Lenzyzn.

C NORTH

Fairfield defeated Altona 2-0 and this match proved that Altona are on the way back. The game was played with the usual Fairfield-Altona temperament and although Altona had the opportunity in the last half to win they lacked determination to convert the goals.

BEST: G. Shields and K. Burgess.

E NORTH

Altona met Army at home and won 3-1. From the bully Altona was quickly in attack and scored their first goal through Des Smith and another terrific goal was quickly followed by Bill Duncan.

After half-time Army were quick off the mark and scored their one and only goal. A quick retaliation by Keith Waters for Altona's third goal sealed Army's fate.

The team send their best wishes to "Captain Alf" who is ill in bed.

GOALS: D. Smith, W. Duncan and K. Waters.

BEST: D. Smith, W. Duncan and Keith Waters.

UNDER 16

Altona played Melbourne High School Old Boys, second team on the ladder, and defeated them 4-0.

GOALS: W. Lenzyzn 2, W. Duncan and R. Lukoszek.

BEST: B. Smith, W. Lenzyzn and I. Bennet.

UNDER 14

Altona continued on with another win, this time over Melbourne High School Old Boys 6-0.

If the Under 14's had played a full game of hockey the score would have been even more.

GOALS: Pratt 2, Carruthers, Healey, Byrne and Kapelis.

UNDER 12

Altona played the second bottom team at home and ran out 5-0 winners.

GOALS: J. Forrester 3, R. McCauley and G. Studley.

BEST: J. Mallett.

Worst Result for Years
by Newport

Newport Baseball Club's B Team tied
their match last Saturday and the other
five teams were well beaten—the worst
weekend by the club in many years.

These losses against lower sides has now made
the chances of the various teams making the final
four much harder than first thought.

Inconsistent performances like these could cost the club any chances they have of making A Grade next year.

Perhaps a bigger effort in matches, and especially at practice, will see a difference.

MATCH RESULTS

A TEAM

Newport lost 5-1 to Ivanhoe, which appeared the better team on the day. The A Team had plenty of chances to pull this game out of the fire, but team batting once again let them down badly.

SAFE HITS: J. Maher 2, A. McKay, R. Salter, B. Cleary, R. Simpson and B. Ockwell.

BEST: J. Maher, R. Salter and B. Ockwell.

B TEAM

After leading Ivanhoe 7-2, the B Team, through lack of thought and concentration, allowed Ivanhoe to get up and drew the game seven each.

Batting, generally, was good, but errors in the field kept the opposition well in this game.

SAFE HITS: W. Minnett 2, J. Merriman, A. White, K. Quinn, S. Bunting and P. Cochrane.

BEST: S. Bunting and J. Merriman.

C TEAM

The C Team trailed Ivanhoe all day, but a late batting rally nearly saved this game. Ivanhoe steadied and went on to win 11-9.

Many opportunities were thrown away by poor batting and bad base running.

SAFE HITS: G. Williams, B. Webb, T. Meatcham, A. Solomon and R. Scott.

BEST: R. Scott, T. Meatcham and G. Williams.

UNDER 17

After losing Footscray, the top team, for three innings at one all, Newport lapsed in pitching and fielding in the next two innings to let Footscray's hard hitting score 14 runs and win 15-1.

SAFE HITS: S. Cross and P. Trentini.

BEST: B. Esmore, J. Grech and B. McTaggart.

UNDER 15

This team had their first defeat. Poor fielding was the main reason for the loss against Essendon, who won 13-3.

SAFE HIT: G. Thompson.

BEST: H. Zanner, G. Thompson and H. Bunting.

UNDER 13

The Under 13's still badly need experience and a better knowledge of the game before they are able to win their first game.

Against Preston last Saturday these two factors, plus poor fielding, were dominant.

NEXT GAMES

Next Saturday, May 27, the A TEAM and C TEAM meet Kew at Newport Sports Oval at 12.30 p.m. The B TEAM play Kew away at 2 p.m.

UNDER 17 play Airport West away; UNDER 15 meet Fitzroy at Dugan Reserve, Newport, at 9.45 a.m.; and UNDER 13 are at Royal Park 4 against Sandringham. Under 17's and 13's are to meet at the Masonic Hall, Newport, at 8.30 a.m.

DANCE

A dance for senior members and friends will be held at the Pavillion at Newport Sports Oval this Saturday, May 27, at 8 p.m.

Letter to the Editor

Dear Sir,

Through your newspaper, I would like to correct two false impressions that have been created in regard to the referendum poll to be held on May 27.

The first false impression was given in the "Age" editorial of May 17 which states that the opponents of the proposal to increase parliamentarians are silent on the additional proposal regarding the status of the Aboriginal people.

The answer to this falsity was published in the "Herald" on the same day in an article written by Senator McManus, headlined: "Why We Don't Need Any More Parliamentarians."

He urged a NO vote beside the first question on the ballot paper re an increase of parliamentarians and a YES vote beside the second question on the ballot paper re the status of Aboriginal people.

The second false impression, sponsored by Messrs. Hold and Wentworth, is that the Democratic Labor Party opposes the House of Representatives increase proposal because it wants the Senate increased as well for its own advantage.

The facts are that the DLP is on record as opposed to any increase in members of either the Lower House or the Senate. The DLP will vote against any increase if a Bill to this effect comes before the Senate as Mr. Holt has threatened if the referendum fails.

GUIDES AND BROWNIES

The Local Association of Girl Guides and Brownies will hold a card evening on Friday, June 9, in the Guide Hall at 8 p.m. Everybody is welcome.

Is there any person who would like to give the Guides any radiator in workable order? The nights are getting very cold and it is a bit of a problem to get games to keep them warm.

Koorringal Golf Club Associates

Results of the stroke event played by Koorringal Golf Club Associates on Tuesday, May 16, are as follows—

A GRADE: Mrs. I. Oatway (23), 62 net.

B GRADE: Mrs. H. Henderson (34), 56 net.

Providing the "increased members" referendum proposal is defeated on May 27, and further, that the Australian Labor Party Senators vote with the DLP if and when the "increased members" Bill comes up in the Senate, there is no hope of Mr. Holt adding any further burden to the taxpayers of this country in the form of additional Federal Parliamentarians.

JOHN BACON,

Hon. Secretary, Altona Branch of the DLP.

2nd Altona Scouts Activities

At the "Pines" on Sunday, May 7, the following boys were invited into the Cub Group—

Bruce Lethborg, Daryl Munday and Stephen Richards.

Also, the following boys have gone into the Scouts from the Cubs—

Michael Buxton, Michael Gordon, Dominic Kucera, Michael Old and Paul Robillard.

There is still a quantity of clothes, etc., left behind from the Easter Camp which can be claimed from the GSM's home at 18 Millers-rd., Brooklyn.

Parents, don't forget the paper and bottle drive on Sunday, May 28, at 9-30 a.m. Assembly point is 18 Millers-rd., Brooklyn.

Parents are reminded that subscriptions are now due.

WESTERN SUBURBAN FOOTBALL LEAGUE

THREE SIDES REMAIN UNBEATEN

After last weekend's rounds in the Western Suburban Football League, three have still to be beaten.

They are: Maidstone in the Open Age, Altona in the Under 18 and West Newport in the Under 16.

The Open Age Section has been thrown wide open with the loss by West Newport to Laverton and the improvement shown by RAAF against Maidstone.

MATCH RESULTS

Results of matches for all grades last weekend are as follows—

OPEN AGE
Maidstone 10.11-71 d. RAAF 7.5-47. Laverton 9.12-66 d. West Newport 8.7-55. Central Altona 28.17-185 d. South Kingsville 1.4-10. Newport had the bye.
RAAF, although defeated, showed improvement against the leaders, MAIDSTONE. A few recruits recently signed may be what is required to kick RAAF on.

The game at LAVERTON was even until late in the last quarter when the locals drew away to defeat WEST NEWPORT by 11 points.

CENTRAL ALTONA, by their big win against SOUTH KINGSVILLE, boosted their percentage sufficiently to take them into third place in the four.

UNDER 18
Altona 18.24-132 d. Central Altona 3.7-25. Werribee 31.24-210 d. Laverton 4.3-27. Newport gave a walkover to West Newport.

ALTONA had a runaway win again CENTRAL ALTONA to maintain their unbeaten run.

WERRIBEE'S big win over LAVERTON boosted their percentage enough to make them safe in second position.

NEWPORT were not able to field a full side and gave WEST NEWPORT a walkover.

UNDER 16
West Newport 8.15-63 d. Werribee 4.16-40. Altona 16.14-110 d. Newport 1.1-7. Devon Park had the bye.

WEST NEWPORT and WERRIBEE put on their usual good match, but this time West proved too strong. Bad kicking by both sides was the only flaw in the game.

ALTONA, improving every week, had no trouble defeating NEWPORT and they give the impression that they will be giving the leaders a good run for their money next Saturday.

W.S. FOOTBALL LEAGUE

—Under 16 Division

BIG WIN TO THE ALTONA U-16's

In a very one sided game Altona Under 16's defeated Newport 16.14-110 to 1.1-7.

Highlights of the match were brilliant displays by Vic Patteras in the centre and clever roving by Kevin Flett.

METRO. LEAGUE — Reserve Division

GOOD SHOWING BY ALTONA

Last Saturday at Grant Reserve Altona Football Club Reserves, although beaten, showed their best form so far this season to go down 7.9-51 to Preston Wanderers' 13.12-84, who head the list.

With the inclusion of Dennis Boyle and Ian Haugh from the Under 18's, plus newcomer Gary Douglas, the side showed that their first win is not far off.

It was not until well into the final quarter that the much bigger Preston forged ahead of the locals.

GOALS: Boyle, Wooding, Allen, Reilly, Reid and Salisbury.

BEST: K. Peachey, G. Douglas, Sherriff, I. Haugh, W. Wooding and P. Reid (until injured).

NEXT GAME

Next Saturday Altona play Thornbury away and the lads should gain their first win for the season.

WESTERN SUBURBS DARTS NEWS

Speculation is mounting over the clash tonight, Thursday, May 25, between SEAHOLME (18 premiership points, 303.47%) and BRISTOL (18 points, 231.42%) to be played at the Bristol Hotel.

Both teams last week each dropped a good player—for Seaholme Mick Ellis and for Bristol Fred Condon. These two players are too good to be left out for this important match—but each club has rules in the manner in which they select their teams. And if so, both Mick and Fred could again be sitting on the bench.

The outcome of this match is hard to predict, but Seaholme must commence slightly favourites.

RESULTS

DIVISION 1

Seaholme d. Pioneer 8-5.

LACROSSE CLUB GO DOWN TO LEADERS

On Saturday Altona Lacrosse Club played the present leaders in the competition, Footscray, at Footscray.

The match, in which rough checking was prevalent, was umpired by Footscray's coach and ended with Footscray winning 14-10.

Throughout the game both sides played hard and fast despite the extremely muddy conditions.

GOALS: B. McMinn 4, J. Houston 3, D. McMinn and R. Munns.

BEST: B. McMinn, J. Houston and R. Benedierks.

NEXT GAME

The next match will be played against Eltham at Bond Reserve, Altona North.

3rd Altona Scouts Activities

Parents of the 3rd Altona Scout Group meet on the first Wednesday of each month at 8 p.m. in the committee room at the Altona East branch library.

Members would be pleased to welcome other parents to these meetings, which are concerned with the welfare of the Scout Group.

Tomorrow night, Friday, May 26, a floral beauty demonstration will be held at the home of Mr. Chapman, 257 Blackshaws- rd., Altona North. Admission is only 20c.

The Cubs' Mothers Night held on May 15 was well attended and each mother was presented with an attractive gift.

Last Saturday the Cubs played football against 1st Altona Cub Pack. Congratulations to the winners—1st Altona.

A recent special effort conducted by the Group was won by No. 65, C/- Mr. D. Waybury.

First Stage of Table Tennis Completed

Round five of the current winter season of the Western Suburbs Table Tennis Association, played during the previous week, completes the first stage of the home and home games.

Rounds 6-10, now commencing, will show which teams are best fitted to fight their way into calculations for the finals and premierships honours.

At the end of round 10, the association will stage its annual championships at the centre in Garden-st., Williamstown, in the week June 26-30. Entry forms for this important event are now available at the centre and close on Monday, May 29.

These championships will undoubtedly attract considerable interest this year. There seems to have been a general levelling up process in the top grades with a number of rising young stars in the intermediate grades, with the result that last year's champions may be well tested to retain their titles.

They will also serve as a preliminary to the Victorian Championships scheduled for the week July 24-28 at the Albert Park Centre.

Deer Park d. Ashley Hotel 10-3. Bristol Hotel d. ICI 8-5. Sunshine RSL d. Racecourse 7-6. Laverton Progress d. Central 7-6.

AWMC d. Commercial Hotel 9-4. Yarraville Club d. Racecourse 7-6. Newport d. Ashley Scratches 7-6. Exchange d. Werribee 10-3. Bridge d. Sunshine Golf Club 9-4.

NEXT MATCHES

Matches for tonight, Thursday, May 25, are as follows (likely winners in bold type)—

DIVISION 1

Sunshine RSL v. Goodrich. Pioneer v. Laverton Progress. Bristol v. Seaholme. Racecourse v. Central. ICI v. Deer Park. Ashley No. 1 have the bye.

DIVISION 2

Bridge v. Ashley Patrons. Altona Working Men's Club v. Exchange. Newport v. Yarraville. Ashley Scratches v. Commercial. Sunshine Golf Club v. Werribee—this match to be played on Friday. Racecourse No. 2 have the bye.

'THE DEVELOPMENT OF THE CHILD'

Many parents of the district are anxious to see their children grow to full maturity and are taking advantage of the excellent series of lectures being given in the Newport Presbyterian Hall in Challis-st., Newport, under the auspices of the Presbyterian Churches of this district.

Last Thursday Dr. McLean, superintendent of the Observatory Psychiatric Clinic, spoke on the "Development of The Child in The Community."

He pointed out facts of importance such as various types of families; needs of children—which are more than simple understanding.

Of importance was the fact that physical differences match temperamental differences; that children go through three "births" on different occasions during their lives; that the period of adolescence is one of "crisis of identity."

It was a first-class night which will be followed up this Thursday, May 25, at 8 p.m. with a further lecture on the same title, together with a film on "Shyness." An open invitation is given to all people of the district to be present.

NEXT PEDAL CLUB RALLY

The next Pedal Club Rally to be attended by Altona Pedal Club will be held on Sunday, May 28, at the RSL Ground in Werribee.

Members are to meet at 9 Bracken-gve. and the bus will leave at 9.30 a.m.

Silver Pedal results are as follows—

APRIL 28: 108, 18 and 102;

RECENT MOBIL APPOINTMENTS

Mr. L. N. Sutton, of Hedge End Road, Mitcham, who is one of Mobil Oil Australia's top refinery engineers, has been appointed general manager — supply.

He replaces Mr. A. J. Hurlstone, who becomes general manager of the Mobil-managed refinery at Port Stanvac (South Australia).

Mr. Sutton, who holds a bachelor of applied science degree from the University of Queensland, was previously manager of the central technical group responsible for the co-ordination and planning of operations at the Port Stanvac and Altona refineries.

His new duties include responsibility for all crude oil imports and the distribution of finished product to mainland seaboard terminals and to the Pacific Islands.

Mr. F. K. Dobson, of Union Road, Balwyn, has taken up a new appointment in the head office of Mobil Oil Australia Ltd.

He now heads a technical group responsible for the co-operation and planning of operations at the Mobil-managed refineries at Altona and Port Stanvac (South Australia).

Mr. Dobson was formerly technical manager at the Altona refinery.

Altona West State Mothers' Club

The Mothers Club at Altona West Primary School will meet at the school on Thursday June 1, at 7.30 p.m.

School requirements will be purchased with the \$120 raised by sales from the Mothers Day Stall.

chasing the gifts. Mothers are thanked for stocking the stall and pupils for purchasing. A beetle game will be conducted next Tuesday afternoon, May 30, commencing at 1.30 p.m. at 15 Karingal Road.

"THANKS A MILLION"

The Royal District Nursing Service is appealing for \$250,000 which, with a three-for-one government subsidy will mean \$100,000,000.

The money is needed to establish immediate additional centres at Essendon, Heidelberg, Croydon-Ringwood, Frankston, Rosebud, Noble Park, Werribee and to make essential alterations to the Melbourne Centre and Headquarters.

It will help to provide improved and still wider services to the community both in nursing and in provision of special aids equipment.

Under the District Nursing Service patients are visited in their own homes. Necessary services are given and essential equipment is of obvious benefit to patients and their families. As ment provided. This personal well it gives relief to over burdened hospitals.

Altona residents have treatment based on a centre at Footscray.

If the appeal is successful a centre will be established at Werribee.

Altona Shire President, Cr. S. G. McIntosh, said —

"Quite often, we hear about an organisation whose work and contribution to the welfare of the people around them, fills one with admiration.

"This is the way I feel about the Royal District Nursing Service. The work they do in the Shire of Altona deserves every support and that is why in response to their request, I have called a Public Meeting for 8th June which will be held in the Council Committee Room, Civic Hall, at 8 p.m.

"The Service is faced with the task of getting to patients who live in an ever increasing area and to overcome this problem, they will be conducting a Public Appeal, known as the "Thanks A Million" Appeal in July, 1967, to raise \$250,000.

"Why this money is needed, and what this Service can do for the people living in the Shire of Altona will be explained at the meeting and I cordially invite you to be present to hear for yourself. I personally feel that this Appeal deserves full support during the Appeal month and I hope that a strong local Appeal Committee will be formed.

"Looking forward to seeing you at the meeting."

ALTONA CAMERA CLUB OUTING

The summery conditions last Sunday provided excellent opportunities for the camera enthusiasts who roamed around the wharves at Port Melbourne. Cloud formations helped to form good background material for outlining the shipping against the skyline.

If you know where to look, even the old bollards and plankings have plenty of character, which can be easily captured on film. Reflections on the water can also present a good photographic study. Then of course, there is always the candid shot of the old fisherman working on his boat.

For the next Club meeting there has been a slight change of plans. Part 2 of the Beginners' Lecture will continue as scheduled, with a slide lecture and debate taking the place of the Annual General Meeting.

Members are asked to bring any slides which they would like some friendly criticism on, as well as their best efforts, which will provide a comparison for the debate.

The Annual General Meeting will now be held on June 9th, which will fall in line with the syllabus which all members hold.

For those wishing to attend the Beginners' Lecture, there is still time to do so, without feeling as if you have been left behind. The lectures are excellent for learning how to handle the camera properly and get the best results.

WE MUST HAVE A "YES" VOTE FOR OUR ABORIGINES

The Commonwealth Government is asking for power to legislate in favour of Aborigines.

A referendum will be held on May 27 and voting is compulsory. For the referendum to be carried it is necessary to have a majority of votes in a majority of States.

The position of the Australian Aborigines is miserable indeed. Australia has made less progress in developing a satisfactory policy for its original inhabitants than almost any other country. The Indians of North America and the Moaris of New Zealand are people who have had the advantage of a national policy. Australia can have no effective policy for Aborigines until the Constitution is amended.

Recently the Commonwealth embarked on a re-housing programme for migrants. It has no direct Constitutional power to do this for the Aborigines. To this extent, the last arrived migrant is better off than the

descendants of the people who have been here for more than 10,000 years.

The amendment to Section 51 (26) will, when carried, allow the Commonwealth to take action in this and other fields. A similar position applies in education. Although it is obvious that something should be done, there is no national policy. One in 120 of the Australian white population are in universities; only a handful of Australia's 100,000 Aborigines have reached universities. The odds on reaching a university are more than 100 to 1 against the Aborigines compared with the non-Aboriginal.

The Aborigines of Australia are not included in the population of Australia because Section 127 of the Constitution expressly excludes them.

This is an insulting discrimination and must be removed.

All the political parties unite in asking for a "YES" vote on May 27.

WITH OTHER CARS IS THE ROAD!

You've never seen a car like the Falcon 500.
You've never driven a car like the Falcon 500.

First, there are the lithe, lean lines inspired by the fabulous Mustang!

Inside there's the roomiest and most luxurious interior of any car in its price range, with insulating and sound deadening materials completely surrounding the passenger compartment for a ride as silent as they come. Plus a host of safety features including a fully padded dash, windscreen washers and seat-belts.

Falcon 500's handling is remarkable because it's the first car to bring you the extra

stability of Wide Stance wheel design — a track that's far wider and a wheelbase that's far longer than have ever been engineered into a car near Falcon's price. Add to this more precise steering, extra-low-profile tyres, and chassis-type Torque-Box construction and you've a ride that's absolutely unbeatable.

As for power, the standard engine is now an even more responsive "Pursuit 170". Or you can choose between the 121 h.p. "Super Pursuit 200" or the big new 200 h.p. "Mustang 289" V8.

"THE TIMES THEY ARE A CHANGIN' "

Yes, my swingers, "the times they are a changin'." These are the immortal words of Bob Dylan sung so well by Peter, Paul and Mary, who are currently touring Australia.

How true these words have proved to be; for Dylan himself is continually changing and maturing in his ideas.

After living the life of an exile in his hermitage in New York, Bob will soon make his first public appearance since his reported motor cycle accident 12 months ago.

He will record new material at the Nashville, Tennessee, studios within a week.

Sources close to Dylan claim that he has a new look. "He has shorn his locks and he dresses like a young English gentleman complete with suit, ties and everything," said a friend.

Bob's old guise comprised motor-bike jacket, club T-shirt, very faded worn jeans and barefeet or moccasins, which added contrast to his frizzy hairdyed purple.

Nevertheless, Bob Dylan — song-writer and poet-idolized, misunderstood and scorned at — has become a legend in his lifetime.

Dylan's colourful character and social commentary through music has won him many fans and those who laugh at him are generally not aware of his genius.

It has been said of this 26-year-old-Tennessean that, "He is so real that it's unbelievable."

Dylan's sudden change of mood is a small example of how people today are growing up at all ages.

Bertram Russell at his age (90) claims that he is still growing up, for as each day progresses he realises something new, and maybe that's why he has lived to such a ripe old age.

But now too many young folk burn themselves out with grog, drugs, sex and an eight-day week. This can be seen in the rising number of breakdowns that occur with young people today.

The answer is simple; they are trying to grow up before their time—but the confused human mind of today needs a lifetime to develop.

Another example of changing trends is the sudden rise of the STYLIST movement in Melbourne which provides a compromise between the feuding Mods and Sharpies.

Star of the Week

Our STAR this week is "Stewy the Stylist" alias Stuart Roberts, of Altona, who is reported to have spent more money visiting discotheques than Jayne Mansfield spends of her hair-dos for the year.

Stuart is well-known at all the disco's in Melbourne, as he patronises "Sebastians" on the Thursday night, the "Catcher" or "West Side 14" on Fridays, "10th Avenue" or "431" on Saturdays, "Biting Eye" Sunday afternoons and the Werribee dance on Sunday night.

So as you can see "Stewy" is a bit of a playboy and it's a wonder he's not suffering from the disease called "discotheque distemper" by now.

One thing's for sure though, he must be pretty fit to dance from 8 p.m. to 2 a.m. three or four nights a week (but not to worry, he is one of a few).

Sinners of the Week

SINNERS this week are the literary geniuses who continually hold smoke nights (strictly for under-agers) in the forum of the municipal library.

These young men are undoubtedly lovers of culture judging by their consistent visits to our library where they gather for discussions on Plato and Aristotle, not to forget Socrates.

Yes, the philosophy section of the library is a very popular place.

GOSSIP

Saw these two slogans painted on the walls of Melbourne University the other day—"MORE GOD LESS L.B.J." and "HITLER IS 78 TODAY."

KULT getting with the big groovy gig disco numbers.

Twiggy has a rival in Altona CLUE: She comes from Holland. Altona Under 18's — TOO good?

Walker Brothers have split up. Buy your records at Nev's.

Gerry (ex-Unknowns) now plays and sings for a PP&M-style folk group called the "Vibrations."

His new look comprises suit and beard.

The trio were well received at the Rifle Club Hotel last Friday night.

COMPETITION RESULTS

WOW! Only one member picked the winner of the Esendon-Footscray match last week and it seems that Footscray never play the same game twice.

Congratulations go to Annette Neal, member No. 194, who may choose a free record from NEV'S VARIETY BAR anytime.

THIS WEEK go Communist and name the political leader of Red China.

First correct entry received will win the sender a free record from Nev's, providing he or she is an SSS member.

"WILLIE-WILLIE" BARBER

Paid a visit to the "Willie-Willie" Barber (no relation to Sweeney) at the "Gobble" last Thursday.

My advise to any of you young blokes who desire a stylist, or "Willie-Willie" haircut is to go and see your local ladies' hairdresser.

I'm sure she'll be able to tease and lacquer your hair just as well. OR be like "Stewy the Stylist" and use sugar and water.

DISC DIARY

Did you know that the smash hit "There's a Kind of Hush," recorded by Herman and His Hermits, was composed by Geoff Stephens, leader of the New Vaudeville Band?

The New Vaudeville Band also recorded this number which went all right in other states, but here it took a bow to Hermit's version.

But not to worry, Stephen's "Winchester Cathedral" has sold almost two million copies, while "Peek-a-Boo" isn't going too bad either.

Don't be confused by the name; this group is British and they've just completed a successful tour of America.

Marianne Faithful has hit it big with "Is This What I Get For Loving You, Baby?", which you can buy of the Decca label.

Two well-known discotheque gigs have records in the Top 20. They are: Running, Jumping, Standing Still—"Diddy Wah Diddy" and Python Lee Jackson—"Hold On, I'm Coming."

Another popular song is: "It Takes Two," sung so sweetly by Marvin Gaye and Kim Weston.

Troggs have released their new single—"My Lady"—which is a Reg Presley composition.

One record to watch is "Western Union," sung by the Five Americans.

The Young Rascals newie is called "Groovin'," and it's heading for the top in the USA.

The Who's latest is called "Picture of Lily."

Watch out for Chris Farlowe's new release called "Yesterday Papers."

The fabulous Shadows live on to record yet another hit—"Mardi 7."

David and Jonathon sing "Scales Ribbons" on Columbia.

Jim Hendrix wows 'em again with "Purple Haze."

CLASSIFIED ADVERTISEMENTS

SPEAKING FOR ALTONA CAR SALES

GRAHAM SPENCE SAYS . . .

I would like to start off this week by saying that "Courtesy costs nothing, and courtesy on the road could save your life, and the lives of others."

Last weekend we were all quite perturbed about the number of lives which were lost on our roads, and, in many cases, an unnecessary loss of life.

It's very easy to say to yourself AFTER an accident: "I should have done this or I should have done that or I should have fixed my brakes or my lights or one of the many reasons for causing accidents."

But in my opinion one of the main reasons is that people don't show enough courtesy on our roads.

If drivers would be a little more tolerant towards each other instead of blasting each other from car windows and getting the other fellow excited, it would create a bit more confidence in the fellow who is not such a good a driver as you think you are, then I believe this would help the poorer driver to become better and the good driver to become more of a gentleman.

Commencing this week Altona Car Sales will make an award to the most courteous local driver seen each week. Remember, our observer will be watching YOU this week, so PLEASE DRIVE CAREFULLY.

If you don't value your own life, think of your family you leave behind or of the unfortunate person you may maim or kill.

Yours sincerely,

GRAHAM SPENCE.

—Altona Continue Undefeated Run in Soccer Roster—

A large following of supporters saw Altona Soccer Club chalk up its tenth game without defeat last Saturday.

What a game this was! As League leaders every game is hard, and Altona certainly had to play well to beat Green Gully on their home ground.

Which team will be first to stop the Maroons? This is the question everyone is asking.

Altona will make sure whoever does beat them will have to be good.

What team spirit exists in this team, ably backed up by their

supporters.

Heavy conditions made it difficult to play last Saturday, but Altona kept plugging away.

Wilkie and Vanderpoel combined well. Stephens was stirring things up in the middle and two were the victims of some

rough play.

Coles and Herman were flying on the wings. However, the last

Ajax is a hard team and they pressed the Altona defence with good soccer. Grecco, Balish and Abbott saw the Maroons through a tight period in which Ian Roberts starred with excellent play see-sawing back and forward.

This was a grand game, giving both crowds of supporters plenty to shout about. Encouraged by the chant, "We are the people!" the Maroons went flat out for a goal. "Prof." Wilkie had a good shot saved, Vanderpoel was showing his class dummying the Ajax defence, but

Stephen's cannonball shot hit the post and at half-time there was no score.

Ajax in the second half really went to town. It was man or ball at any cost. Full marks to Altona, who kept up the pace and continued to play attractive soccer.

Barry Abbott was outstanding in this period of play, words fail to describe his never-give-up style of play.

Milloy and Copley did not put a foot wrong all day.

Despite good play by Ajax there was no way past their iron curtain defence. Then came the

goal that won the game for Altona. With devastating precision they penetrated the Ajax defence and the old maestro Vanderpoel had the ball in the net with an amazing kick which gave the 'keeper no chance.

Ajax tried hard to equal, but Ian Roberts thwarted their efforts and it was another two valuable points to Altona.

NEXT GAME

Next Saturday Altona play Albion Rovers at Kim Reserve.

RESERVES

Altona were beaten 2-0. The Reserves could not take a trick at all and inexperience cost the game. Eddie Cassar was a star at outside right.
